

Scott Moore Biography

With over 20 years of IT experience with various platforms and technologies, Scott has tested some of the largest applications and infrastructures in the world. He has mentored and developed testing services for “Big Five” services firms, top insurance companies, and major financial institutions in the US. In 2004, Scott founded Loadtester Incorporated, focusing on performance testing and building “centers of excellence” around application performance. In October 2010, Scott became President and CEO of Northway Solutions Group. He is a Certified Instructor and Certified Product Consultant in HP’s LoadRunner and Performance Center products. He is a thought leader in the APM space.

In 2015, Scott formed Scott Moore Consulting LLC to provide both IT consulting and audio production services as the owner and producer at Sidestep Studios in Nashville Tennessee. Services include background music for television, cinema, and online content.
